Born from our success in the indoor studio and with our Stages Flight group display technology, Stages Solo is a commercial performance bike for the cardio floor. Stages Solo provides a real bike feel, an engaging cycling interface, diverse ride journeys, highly accurate training feedback, and the ability to track fitness goals and achievements over time. Adding a new level of motivation, Stages Solo is designed for the rider who wants to experience an exhilarating cycling experience but in a personalised, single-rider environment.

- Provides an approachable solo rider experience
- Stimulating and exciting visual interface motivates riders to set, track, and meet goals
- Performance oriented commercial bike feels like, rides like, fits like an outdoor bike
- Accurate, consistent, direct measured power data
- Cloud-based user profiles to utilize your data on-the-go
